Escher Ceiling

DESCRIPTION

The Escher ceiling light from Tech Lighting features a gently illuminated optic-grade glass ring that ever so slightly protrudes from the ultra-thin stamped metal body of this contemporary ceiling light. The elegant ring gives way to recessed high-quality acrylic diffuser which effectively controls light output of the powerful yet efficient and warm LED source. This smart combination of modern technology, high-end materials and thoughtful engineering yields a glare-free ceiling light perfect for use in residential environments such as bathroom lighting, bedroom lighting, closet lighting and hallway lighting applications. Since it is offered in both Satin Nickel and Matte White finishes, a fresh contemporary look is easily within grasp. Includes 34 watt, 871 delivered lumen, 2700K or 3000K LED module. May be wall or ceiling mounted. Dimmable with low-voltage electronic dimmer or triac dimmer.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagonal electrical box (not included).

WEIGHT

2-2.5lb / 0.91-1.13kg ±

satin nickel   white
