

Vetra Wall

LED ADA T20

DESCRIPTION

Inspired by textiles, the Vetra wall sconce light by Tech Lighting has a linen weave design which is silk screened on to the hand-blown glass shade, creating a textured surface through which the light softly glows. The artisan glass treatment is a subtle design element that gives this clean, contemporary profile a warm, tailored look, making it a beautiful accent in modern to transitional décor in both residential and professional settings. Perfect for hallway lighting, dining room lighting, bedroom lighting and bathroom lighting, the fixture has Clear Linen glass. The circular backplate has a Satin Nickel finish. Three other light fixtures are available with the same Vetra styling, a small pendant light, a large pendant light, and a ceiling light. Damp-rated and dimmable, it's 13.2" high and 4.9" in diameter with an extension of 3.9", making it ADA compliant. Available with or without lamp. E12 candelabra base socket 25w max. LED version includes (1) 2 watt 159.7 delivered lumens 90CRI 2700K LED T6. Dimmable with a low-voltage electronic dimmer. Can be mounted up or down. ADA compliant.
